

ANNOUNCING

Blue Ridge Microwave Society (BRMS)
Get Together – BGT '23
Saturday, September 23, 2023
(11:00 am until??)

Jack Dalton Park
3300 Kings Mountain Road
Collinsville, VA 24078

Event will be at the picnic shelter on site which can accommodate up to 250 people and is family and pet friendly. You can drive right up to the shelter and restrooms are available. Everyone is welcome so bring family and friends! Also, bring a chair or two.

There are picnic tables and grills available. Bring your own food (we will provide drinks, water and ice) or choose from restaurants nearby including a good BBQ place within 4 minutes (click links below):

Everyone is encouraged to bring their microwave gear for 'show-n-tell'. Dennis, WA4LPR plans to bring test equipment including a signal generator, power meter and noise figure meter for up to 10 GHz. Another member plans to bring his new Icom IC-905 SHF rig. If you're not yet active on the microwave bands please consider attending to see what it's all about! Learn how to get active on bands such as 10 GHz! For more information or to let us know you will be attending contact:
